

Chartwells at School Town of Munster

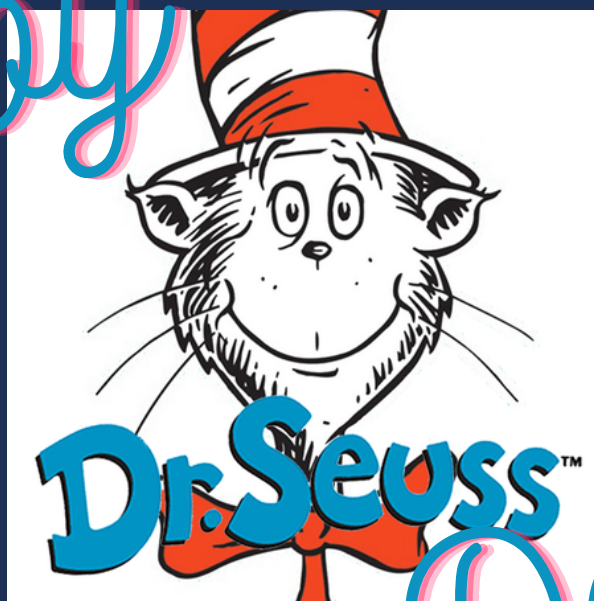

Chartwells K12 at School Town of Munster welcomed back students for the 2023 Spring Semester with a lot to celebrate. We are excited for the new semester and to be serving up happy and healthy on a daily basis. See what's new at School Town of Munster this quarter!

Munster High School started the semester off with *Student Choice*, where students sampled Mac N Cheese with pork carnitas, buffalo chicken and buffalo tofu along with Kung Pao Chicken with Egg Rolls. The students then voted and Kung Pao Chicken with Egg Rolls was the winner by far and students were able to enjoy it on their menu for a week!

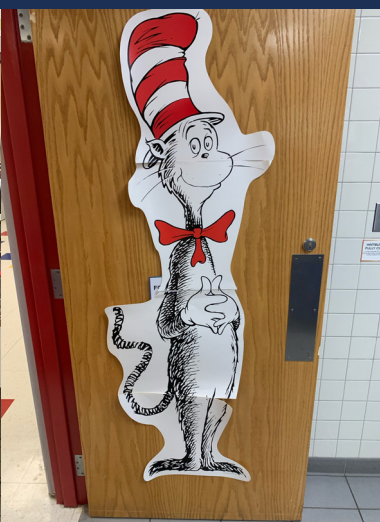

The Family Consumer Science Classes were a HUGE help in making this a successful taste test!

Happy

Day!

On March 2nd, our elementary schools celebrated Dr. Seuss Day! Our staff was eager to dress the part and serve strawberry parfaits to mimic Dr. Seuss's hat and popcorn chicken with colored Goldfish, a play-off of the Dr. Seuss book, *One Fish, Two Fish, Red Fish, Blue Fish*!

Black Bean Brownies

Ingredients

Erin, our dietitian, decided to celebrate *National Nutrition Month* at Wilbur Wright Middle School. She made black bean brownies for the students and told students there was a secret ingredient that they had to guess. Erin also explained how the black beans provided a lot of protein to the brownies and how important protein is for the diet!

One of Chartwell K12's favorite way to show school spirit is by providing concessions for all the sports at Munster High. Our concession employees worked hard to feed all the fans especially during boy's basketball sectionals! Don't worry, the employees were still able to cheer on our Mustangs!
